

# Communication Management - Key Terms Glossary

## **SECTION: Communication Channels Formula**

$n(n-1)/2$ , where  $n$  is the number of people on a team, giving the number of potential communication channels.

## **SECTION: Push Communication**

Information sent directly to specific recipients (e.g. email) with no guarantee it was received or understood.

## **SECTION: Pull Communication**

Information recipients must access themselves (e.g. a shared intranet or dashboard), typically used for large audiences or reference material.

## **SECTION: Interactive Communication**

Multidirectional exchange (e.g. meetings, calls) that is the most effective way to confirm shared understanding, though the most time-consuming.

## **SECTION: Status Report**

A report describing where the project currently stands relative to the schedule and cost baseline.

## **SECTION: Progress Report**

A report describing what has been accomplished during a specific period.

## **SECTION: Forecast Report**

A report predicting future project status and progress based on current trends.

## **SECTION: Noise**

Anything that distorts a message in transit, such as jargon, language barriers, or distractions.

## **SECTION: Kick-off Meeting**

A meeting held at the start of a project to align stakeholders on goals, scope, and roles.

## **SECTION: Stakeholder Register**

A document identifying all project stakeholders along with their interests, influence, and expectations.
